Coldspring United Methodist Church  
"A Covenant Relationship Church"

**We have selected two new missionaries!!!**

Kristin Markay

They are David and Kristin Markay. They serve a multicultural, English language ministry in Milan, Italy. Made up of Africans, Asians, Europeans and persons of various other nationalities,

this inner-city congregation is a vibrant witness in a city of some 210,000 immigrants. The Markays offer ministries of preaching, teaching, pastoral care, sacramental ministry, while overseeing administrative duties. They are the bridge between the immigrant community, the larger Italian Methodist Church and other church bodies. Our church will share in regular communication with the Markay's. Let us keep them in our prayers.

## Evangelism Leaders Announced

Bea and Ralph Glassco have volunteered to be co-leaders of our Evangelism committee. They will lead our church effort in soliciting new members and activating all members in our Evangelism programs.

One area in which you can become involved is the First Responder program. This is a team that goes to the home of first time visitors and presents them with our church literature and welcomes them. You are not expected to go in the house, just deliver the welcome. New responders are needed. If you think you might be interested, please contact the church office or the Glassco's.

## Our church is receiving recognition and a huge honor!

Our Mission Committee has been asked to present a part of our mission program at annual conference; this is because we have been recognized as having one of the best mission programs in the conference for a church our size. The committee has chosen "Backpack Buddies" and Karen Holton will make the presentation. Our entire congregation can be proud.

## The Outreach Committee Meets

The outreach committee meets the first Tuesday of each month at 5 pm. Please join us if you are interested in our church mission or evangelism programs.

## Habitat For Humanity

Needs volunteers to answer phones calls two days each week for three hour stretches.

The Neighborhood Table continues to be very successful. It is the last Wednesday of the month. Join us for fellowship and food.

The Care/Share Mission is always in need of food and cash donations.
